5 PENALTY CORNER COUNTDOWN CLOCK

Rule 13.3: ~~Time and play~~ is stopped after a penalty corner is awarded and re-started when the teams are ready. Teams must take the minimum time to take their positions and put on protective equipment (as a guide of 20 to 30 seconds) and play is re-started when the teams are ready.

Note: This regulation will apply only to the initial award of a Penalty Corner and not to any retake, or to any subsequent Penalty Corner awarded before the ball has travelled more than 3 metres outside the circle.

If the delay in taking the Penalty Corner is more than 30 seconds and in the opinion of the umpire an undue delay is occurring, then the umpire should identify and award a personal penalty to the player who is responsible for the delay (i.e. a green card), with an increased personal penalty (i.e. a yellow card) for repeated offences. If this player is a defender, the defending team defends the particular Penalty Corner with one player fewer. For any offence of this rule by a defending goalkeeper, the defending team defends the penalty corner with one fewer player: ie the corner is defended by one fewer player than before this incident. The defending team nominates which defender will be subject to a personal penalty.
